

Society of Women Engineers Greatland Section

November 23, 2005

Dear Sir or Madam:

The Society of Women Engineers' (SWE) new tagline - *Aspire · Advance · Achieve* - captures the momentum of the Greatland Section's commitment to encourage academic excellence and to introduce our youth to engineering, math and science. This year, we have the added challenge of hosting the 2006 Region J Conference. The conference provides us with an opportunity to showcase our work in Alaska to professionals and students not only from Alaska, but from Washington, Oregon, Idaho and Montana as well. With your aid, success will flow into our community throughout the coming year!

Aspire . . . Our Outreach program, a hands-on math and science experience, premiered in 2001. We hold two to three workshops each year, made up of math, science and engineering related experiments to teach young girls in a fun and imaginative way. With your help, we will continue to acquire the necessary supplies, both reusable and expendable, to operate these workshops.

Advance . . . Our Campfire Tutoring program, now in its seventh year, remains a strong influence in our community. SWE Greatland members tutor from ten to sixteen children Monday through Thursday at the Fairview Campfire site and a handful of youth each Thursday at the Loussac Manor Campfire site throughout the school year. Most of the children do not have ready access to basic supplies. With your aid, we will be continue to provide these basic supplies as well as learning tools, such as dictionaries, maps and globes.

Achieve . . . Our High School Recognition program celebrates high school girls in our community for excellence in math and science. In years past, we have not been able to give monetary awards. Having sought scholarship money to aid me in paying for a higher education, I know the importance of a helping hand in achieving goals. This year, I have donated \$500 to initiate a scholarship fund. With your support, our scholarship fund will grow, allowing us to provide more opportunities to young women pursuing degrees in technical fields.

Bringing It All Together . . . We are honored and excited to host the upcoming 2006 Region J Conference. Our theme, "Spirit of Engineering: Look to The Future" is about transitions - looking to the future from child to student, student to professional, professional to leader, and from leader to better leader. Conference workshops will focus on personal and professional development. Student participation is expected from campuses through out the Northwest.

We invite you to increase your visibility and exposure to SWE professionals and student members across the Northwest by partnering with us to make the conference a successful event. Partnering can take many forms; we have enclosed information to help you determine how you can best partner with us for a successful conference. You can also visit our conference website at www.swealaska.org/swejconf2006.

The donations we receive will not only fund the conference, but will also be used to keep our outreach programs alive. If you are willing to donate money to SWE Greatland, please make checks payable to *SWE Greatland* and mail them to SWE Greatland c/o DOWL Engineers, 4040 B Street, Anchorage, Alaska 99502. Please use the attached form for conference donations. Our Tax ID Number is 92-0134733. Our supporters are recognized at our Outreach program events, on our award-winning website (www.swealaska.org - check it out!) and in our newsletter, the *Greatland Gazette*. Partners for the 2006 Region J Conference will be recognized in a variety of ways throughout the conference.

If you cannot contribute monetarily, the gift of your time would be invaluable. Volunteer one hour a week, a month, a year. There is nothing better to get you out of a funk than to spark the love of learning in a child. If you need more information about our programs, volunteering, the 2006 Region J Conference or SWE Greatland in general, please contact us. We thank you in advance for all of your help.

Warm Regards,

Melissa Mormilo, P.E.
President, SWE Greatland Section

Greatland Section

Society of Women Engineers

ASPIRE • ADVANCE • ACHIEVE

I will support the 2006 SWE Region J Conference in the following ways:

Cash Donation:

- "EXA" Level \$3000
- "TERA" Level \$2000
- "GIGA" Level \$1000
- "MEGA" Level \$500
- "KILO" Level \$250
- "HECTO" Level \$100
- Other \$ _____

In addition, I would like to:

- Attend the conference, please send me a registration packet
- Sponsor tote bags for the conference
- Provide company promotional items to place in the tote bags
- Sponsor door prizes for the banquet
- Sponsor students at the conference (covers registration, tour, and banquet)
- ___ number of students I will sponsor at \$75: _____
- Sponsor a coffee break at the conference for \$350
- Sponsor the Saturday breakfast at the conference for \$500
- Support a Booth at the Job Fair (Available free for those donating over \$1,000 or more)
- Sponsor the Saturday Luncheon at the conference for \$650

All donations to the Greatland Section of the Society of Women Engineers are tax deductible under section 501 © (3) of the Internal Revenue Code. Please return your contribution in the envelope provided or mail to:

SWE Greatland Section
C/O DOWL Engineers
4040 B St
