

****SCHOLARSHIP OPPORTUNITY!****

Hello! My name is Nichole Rehm, I am the Chair of the Scholarship Committee and an alumnus of the Civil Engineering program at UAA, graduating in Fall 2002.

I wanted to let you know of a scholarship opportunity offered through ITE – the Institute of Transportation Engineers. If you are unfamiliar with ITE, it was founded in 1930, and has 13,000 members in 90 countries. And members are not just engineers! They are also planners, consultants, educators, and researchers.

****SCHOLARSHIP DETAILS****

Through the generous donations, sponsorship and fundraising of Alaska section members, ITE has been able to raise \$7,000 for scholarships.

Five scholarships will be awarded: one for \$2,000, two for \$1,500, and two for \$1,000.

The scholarship application is attached to this email.

Please submit your completed, signed application electronically to alaska@itedsc.org by **11:59 p.m. AKST on Friday May 13, 2022.**

As stated above, ITE is awarding FIVE scholarships, increasing the odds that you will receive money if you apply!

The application is relatively short. It is five pages and the first two are a checklist and a form to provide information about yourself. With just a little effort, you can be given a substantial pay out. Think of it this way, if you worked on this application for 4 hours, and were awarded the \$2000 scholarship, that equates to earning \$500/hr?? That far exceeds what many of us will see as a salary in our lifetime!

All eligibility requirements are listed on the application. Please make sure you **read all the instructions and requirements.**

One of the requirements is to become a member of ITE National. Membership is free for students here is the link to sign up: <https://www.ite.org/membership/become-a-member/join-ite/>.

Scholarship applications will be evaluated from mid-May into June. Applicants selected to receive a scholarship will be notified prior to a formal announcement in June 2022.

I highly encourage you to apply!!! If you have any questions do not hesitate to contact me by phone at (907) 360-7835, or email nicholerehm@ptsincalaska.com.
